Crestwood Preparatory College is excited to be hosting Anthony McLean from iEngage to deliver a Bullying Prevention and Social Media Awareness Presentation. Anthony has delivered hundreds of bullying prevention presentations from Eastern Canada to South Australia. His delivery style is upbeat and entertaining and he has been featured as a guest speaker on CityTV's Breakfast Television, the CTV News Network and Global Toronto's Morning Show. He is currently writing his first book, Before You Send Your Kids To School.

Anthony will deliver a fun and upbeat message about Empathy, Inclusivity, and Respect. He will address the differences between bullying and conflict, and the role of the bystander. He will also focus his presentation on cyber awareness, discussing how social media sites like Facebook, Twitter and Instagram are building a digital citizenship that will help or hurt children as they apply for jobs, scholarships or internships in the future.
