

OPENING/REGISTRATION DAY TUESDAY, SEPTEMBER 8th, 2020

All students must complete the daily screening using Edusafe prior to arrival. All students must be wearing a mask upon entry to the school.

No parents, guardians or visitors will be permitted to be in the school.

During the orientation sessions students will be directed to a classroom where they will receive their timetable, login information, information on how things will work this year and an opportunity for questions. They will also have an opportunity to move throughout the school, directed by staff members, in order to see how movement will take place.

Students will be required to leave the building at the end of their session to allow for sanitizing prior to the next set of grades arriving.
